

**If You Paid for or Provided Reimbursement for Branded Tracleer or Bosentan,
A Class Action Lawsuit May Affect Your Rights.**

A class action lawsuit is pending in the United States District Court for the District of Maryland (the “Court”). The Plaintiff in the lawsuit is asserting class action claims and alleges that Defendants Actelion Pharmaceuticals Ltd., Actelion Pharmaceuticals US, Inc., and Janssen Research & Development, LLC (collectively “Defendants”) harmed competition and violated certain federal and state antitrust and consumer protection laws. Plaintiff alleges that Defendants unlawfully delayed the availability of allegedly less-expensive generic versions of Tracleer and that Defendants’ alleged conduct caused the Class Members (defined below) to pay more than they otherwise would have for Tracleer and/or bosentan. Defendants deny any wrongdoing.
